

PRESS RELEASE

25 April 2018

Deadline looms for acoustic awards

Time is running out to enter the Association of Noise Consultants (ANC) acclaimed awards.

This year the ANC Acoustic Awards programme has been extended, increasing from four categories to seven.

Promoting and recognising excellence among UK acoustic consultants, the awards include 'Building Acoustics,' sponsored by H&H Acoustic Technologies, 'Education Acoustics,' sponsored by Ecophon, 'Environmental Noise,' sponsored by ANV Measurement Systems and 'Vibration,' sponsored by Pliteq.

They are joined by the new accolades for 2018 'Good Acoustic Design,' 'Smaller Projects' and 'Innovation.'

The deadline for entries is midnight, Friday, May 18.

Entries will be scrutinised by a distinguished panel of judges comprising of academics and professionals, as well as representatives from the sponsor companies.

The winners will be announced at a ceremony at the Hyatt in Birmingham on June 27.

More details on the ANC Acoustic Awards can be found at <http://www.association-of-noise-consultants.co.uk/anc-awards/>

ENDS

Notes To Editors

ANC members provide consultancy advice across all areas of acoustics, noise and vibration to support the built environment, as well as transportation and entertainment sectors.

Their expertise creates usable environments from the most challenging sites. Members also aid the well-being and comfort of building-users across the whole spectrum of use, in public, private and commercial places.
