

Junior Consultant / Acoustic Technician Opportunity with WBM

WBM is a small to medium independent acoustic consultancy with a wide range of work covering environmental noise and building acoustics. As well as 'traditional' acoustic consultancy projects we also take on unusual projects and expert witness work and encourage client focussed interaction, independent thinking and problem solving approaches.

WBM is a member of the Association of Noise Consultants and is also a corporate member of the Institute of Environmental Management & Assessment.

Our project portfolio includes many quarry and minerals sites, energy from waste, road and rail projects, hospitals, sport and leisure, educational, residential and mixed-use developments. As well as attracting new clients, we have a high proportion of repeat clients across all areas of work.

We are looking to recruit team members who share our approach to providing an independent, high quality client focussed acoustic consultancy service.

Location: East Haddon, Northamptonshire in the Midlands with easy access to M1, M6 and A14.

Role: Junior Consultant / Acoustic Technician. The role is based in our office in rural Northamptonshire with some flexibility for part-time and home working. The full scope of the role and responsibilities will be based on your level of experience and will include liaising with clients, undertaking noise surveys, acoustic testing, assessments, calculations, preparing appropriate technical specifications, details and reports.

Requirements:

- clear, independent thinkers with practical insight, enthusiasm and drive
- a degree in acoustics, or a related science/engineering subject with strong maths content supplemented with further study in acoustics
- driving licence is essential
- excellent spoken and written communication skills
- relevant consultancy experience, and/or knowledge of an acoustic computer modelling package would be an advantage
- applicants must have the right to work in the UK

Remuneration: Competitive salary, 25 days holiday plus statutory holidays, enhanced pension scheme, private healthcare, life assurance and a company car/car allowance.

Take Action: To find out more please get in touch with us at careers@wbm.co.uk with your name, contact telephone number and best time to call you. If you wish to send a CV through straight away then please do so to the email address given.
