	BREAK
	Session 4 – All panel <ul style="list-style-type: none"> • Summary • Q&A
17:00	Workshop closes

Who should attend: The workshop is open to everyone who undertakes BS 4142 assessments from early years professionals to those with considerable experience.

Why attend: The ANC Technical Note published in March 2020 offered some interpretation and guidance on the new edition of BS 4142. In this workshop we discuss some of the issues identified and provide an opportunity to learn from colleagues and share experience informally as well as through table discussion sessions.

Venue: [15 Hatfields](#) is a conference centre, less than a 10-minute walk from Waterloo or Blackfriars stations.

Booking: complete the [booking form here](#).
