

We are looking to hire an Acoustic Consultant!

Acoustic South East, based at Shoreham Airport are continuing to grow and looking for new talent to take the company forward.

A reputation for excellence has been well established and our workload is still increasing. Our major strengths are in: building acoustics, residential, schools, hospitals and commercial; and in transportation and environmental noise. We now need to add to our consultancy team and are looking for an experienced individual to join us on either a full or part-time basis.

What we can offer you:

- 25 days holiday
- Being part of an Employee-Owned Company (EOT)
- Participation in annual bonus scheme (after one year's service)
- Use of Company Vehicle
- Hybrid/Flexible Working
- Payment of IoA fees
- Pension Scheme
- Training & Development opportunities
- Friendly & Supportive work culture
- Varied workload and opportunity to engage in diverse projects

What we would like from you:

- A degree or post graduate Diploma in Acoustics or relevant STEM subject.
- Minimum of 3 years of experience within a consultancy role or experience within an equivalent occupation.
- To be a member of the Institute of Acoustics or to be suitably qualified for an AMIOA application.
- High level of IT literacy and Microsoft applications.
- Experience of noise modelling software (CATT ,IMMI, Soundplan etc)
- Clean driving licence
- Ability to work individually and as part of a wider team.
- Good communicator and proactive approach with clients

If you are interested in coming to work with us, please email us with your CV and covering letter to include your salary expectation & preference for full or part time working. (No agencies please!)
