

## Acoustic Consultant (2+ years' experience)

### The Company:

Acoustic Consultants Limited was formed in Bristol in 1987 and are a multi ANC award winning company. Over the last 5 years we have been growing our presence in London and in 2024 we opened an office located in Lambeth. To support our growth, we are recruiting for a consultant to be based at the Lambeth office (hybrid working considered).

We work on all schemes within the educational, healthcare, offices, cultural, laboratory, residential and mixed-use sectors across the UK. Our approach ensures that every single one of our consultants gain valuable experience across the business – no one is pigeonholed into just one area.

### Life at ACL:

We understand that life can sometimes get in the way and so we offer flexible working along with a generous holiday entitlement, an hour off each week to do something that benefits your health and wellbeing (paid), competitive salaries, paid overtime or time off in lieu (rare in the industry!) and enrolment into the company wide bonus scheme.

We also like to make sure our team can decompress, with company get-togethers throughout the year.

We are committed to offering an open learning environment to ensure you progress and develop quickly in all fields of acoustics.

### The Role:

The role will be dependent on your level of experience but will encompass all aspects of noise and acoustics such as undertaking noise and vibration surveys, acoustic testing, noise impact assessments, providing building acoustic advice, building services advice, vibration assessments, noise modelling, data analysis and report writing.

The successful candidate will be supported by our Senior Leadership Team and Directors.

### Essential:

- 2+ years' relevant experience.
- A degree in acoustics/engineering/maths/music productions/technology or a Diploma in Acoustics and Noise Control.
- Ability to solve problems, write technical reports and analyse data.
- Ability to manage projects and their time efficiently.
- A full Driving License is required.

To apply, please [email](#) us with your CV and covering letter.

*NOTE: WE WILL NOT BE ACCEPTING ENQUIRIES OR CVS FROM RECRUITMENT AGENCIES.*

*We are an Equal Opportunity Employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.*
